## **Introduction**

The word Mangalayatan is a combination of two words; Mangal and Ayatan. It refers to the Home that endows contentment and positive vibrations. Mangalayatan symbolizes the ultimate resource that underlines well-being and prosperity. As a part of the promise to groom students into leaders of tomorrow, Mangalayatan University has strategically tied up with top organisations to have access to the best of teaching practices, training methodologies and the latest industry-oriented curriculum development methods. To be a leader in education, an institution must be founded on two basic principles: keeping the interest of students as its foremost priority and recognizing that knowledge is ever-growing, omnipresent and requires the opening of minds. At Mangalayatan University, we take pride in these two qualities being at the core of our existence. Mangalayatan (translated as the germinal bed of positive thought) aims to perpetuate a culture of hard work, embracing change and preparing oneself for the fast progressing world with the latest skills and the highest level of social and personal values. Situated 20 km from the Yamuna Expressway in Uttar Pradesh, Mangalayatan University was founded in 2006 and has graduated over 6000 students. Nearly 1300 students are currently studying on campus. Mangalayatan University vision is to give students from all kinds of background, a quality educational experience leading to legitimately rewarding career opportunities.

## **Vision**

“ To be an institution where the most formative years of a young mind are spent in the guided pursuit of excellence while developing a spirit of inquisitive questioning, an ability to excel in the pressure of a fast changing professional world, and a desire to grow into a personality than a person, in an environment that fosters strong moral and ethical values teamwork , community service and environment consciousness.”

## **Mission**

- To be the enablers of a confluence of academic rigor and professional practicality
- To train students to be skilled professionals, with the hunger and ability to become leaders
- To hone not just the intellect of our students, but also their character and personality
- To bring global best practices to our students through widespread use of technology
- To empower our faculty to constantly develop new skills and excel professionally
- To provide the best campus environment to students and faculty with all facilities to nurture their interests

### **Course Material**

Learning materials are prepared for the courses by teams of experts drawn from our experienced faculties. These materials are edited by the content experts and language experts at MU before they are finally sent to the press. These materials are previewed

and reviewed by the faculty as well as outside experts and edited or modified wherever necessary before they are dispatched to the Learner Support Centres.

### **Credit System**

The MU, DDE proposes to follow the 'Credit System' for most of its programs. Each post graduate program requires 80 credits from all learning activities. Each credit amounts to 30 hours of study comprising all learning activities. Thus, a 4 credit course requires 120 hours of study. All courses are 4credit courses except the project course which is of 8 credits. This helps the student to understand the academic effort one has to put in, in order to successfully complete a course. Completion of an academic programme requires successful clearing of both, the assignments and the term-end examination of each course in a programme.

### **Delivery systems**

The DDE, MU follows a modern ICT mediated enabled approach for instruction. The methodology of instruction in DDE, MU is different from that of the conventional/regular programs. Our ODL system is more learner-oriented and the learner is an active participant in the teaching-learning process. Most of the instruction is imparted through distance, rather than face-to-face communication. DDE, MU academic delivery system comprises:

#### ***Print Material***

The printed material of the programme is supplied to the students in batches of blocks for every course. A block which comes in the form of a booklet generally comprises 5 units.

## **QUALITY ASSURANCE**

DDE of Mangalayatan University follows a two-step process for quality assurance:

1. Through University's Compliance & Quality Assurance Cell (CQAC)
2. Through DDE's own Centre for Internal Quality Assurance (CIQA)

### **Compliance & Quality Assurance Cell (CQAC)**

Development of a culture that recognizes the importance of quality and quality assurance is essential in institutions of higher learning. Quality assurance is a new paradigm of academic and administrative management. The changing educational landscape calls for setting up a formal and effective mechanism for the approval, periodic review, monitoring, evaluation and assessment of quality of the programmes in higher education institutions. It is in this vain that the proposal by National Assessment and Accreditation Council (NAAC) to establish Compliance & Quality Assurance Cell (CQAC) has been undertaken by every accredited institution of learning. The quality assurance activities are not just limited to collecting data; rather it is also expected to analyze the data for enhancing quality, providing accountability, establishing stakeholder confidence and creating trust in the institution's performance. Since quality assurance is a continuous process, CQAC is now becoming a central theme in Higher Education, ever endeavouring to work towards realization of the goals of quality enhancement and sustenance.

### **Objectives of CQAC**

There are following objectives of CQAC:

- To develop and implement a strategy for conscious, consistent and continuous enhancement of quality to improve the academic and administrative performance and standards of the programmes of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture, accountability, and institutionalization of best practices and awards.

### **Strategies**

The CQAC shall evolve the mechanisms and procedures for ensuring

- Timely, efficient and progressive performance of academic, administrative and financial tasks. The relevance and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of society.
- Optimization and integration of modern methods of teaching and learning and the credibility of evaluation procedures.
- The adequacy, maintenance and functioning of the support structure and services for Research sharing and networking with other institutions in India and abroad.

### **Function**

The CQAC shall have the following functions:

- To ensure heightened level of clarity and focus in institutional functioning towards quality enhancement.
- To ensure internationalization of quality of culture.
- To ensure enhancement of integration among the various activities of the institution and institutionalize good practices.
- To provide a sound basis for decision-making to improve University functioning,
- To act as a dynamic system for quality sustenance.

### **Monitoring Mechanism**

The CQAC look after the working of University with reference to NAAC and ensure the complete the necessary documents.

### **Centre for Internal Quality Assurance (CIQA)**

DDE has formed a Centre for Internal Quality Assurance (CIQA) in accordance with the ODL Regulations 2017 notified by DEB/UGC. The functions of CIQA are:

#### **Objectives and Functions of CIQA**
