Executive Summary

Introduction

The word **Mangalayatan** is fashioned by the combination of two words; *Mangal* and *Ayatan* that refer to the Home (Place) that endows contentment and positive vibrations. Mangalayatan University symbolizes the ultimate resource that underlines well-being and prosperity “Learn Today to Lead Tomorrow”.

Mangalayatan University (MU) has been created under “The Mangalayatan University, Uttar Pradesh Act, 2006” and notified by the Government of Uttar Pradesh as Act No. 32 of 2006, by its Gazette No. 362/VII-V-1-1(Ka)-12/2006 dated October 30, 2006, with the right to provide higher education under section 2f of UGC Act 1956 and authorized to award degrees specified in section 22 of UGC Act. The UGC inspected the University during May 12-14, 2011 and validated the above empowerment vide F. No. 9-6/2007(CPP-I/PU) dated Feb 8, 2012. The University is a member of Association of Indian Universities (AIU) as approved vide AIU letter numbering MEET/87/AM/BS/2013/, dated Aug 5, 2013. All programs offered by the University have regulatory approval by regulatory authorities like UGC, National Council for Teacher Education (NCTE), Bar Council of India (BCI) and Pharmacy Council of India (PCI).

The University has been promoted by Acharya Kundkund Educational Society. The Chairman of the Society Shri Hemant Goyal, an industrialist, is the Chairman of the Board of Management of the University.

The Court of the University comprises the Chancellor, Vice Chancellor, Pro Vice Chancellor, two academicians nominated by the Visitor, an educationist of repute nominated by the Society, and the Registrar as its Secretary. The Vice Chancellor is the Chief Executive of the University. The University is administered by him through the Executive Council and the Academic Council, both chaired by him.

Nearly 2800 students currently study in the University. Its faculty body consists of several highly qualified and motivated individuals from the IITs, NITs, foreign universities and other high-quality institutions. They champion the adoption of the latest teaching methods and constantly keep themselves updated with the latest technological and industrial advances. MU’s vision is to give students from all kinds of backgrounds a quality educational experience leading legitimately to rewarding career opportunities.

As part of its longer term vision, MU is tying up with several industry leaders in order to make industrial training and exposure a growing part of its core curriculum. The University has signed MoUs with various national and international organizations like National Jalma Institute of Leprosy & other Mycobacterial Diseases, Agra; Usha Martin University, Ranchi, Jharkhand; Himalayan University, Itanagar, Arunachal Pradesh; Mangalayatan University, Jabalpur, Madhya Pradesh.

In tandem, MU ensures that its students acquire a strong sense of community responsibility thanks to the environment they live in, symbolized best by the grand Jain Temple on campus. With over 900 campus residents, the 72 acre lush green campus of MU sports a vibrant, energetic feel at all times.

MU students ensure that there is never a dull day on campus. Some student initiatives like *Kadam*, NSS and *Red Cross* do stellar work in the nearby village areas in the fields of education, hygiene, health and environmental awareness. Over the years, companies such as Infosys, HCL, ICICI Lombard, the Indian Armed Forces (Army, Navy and Air Force), HDFC Life, Johnson & Johnson, R Systems, Manhattan Associates, HDFC Bank and several others have been part of our placements.

The Vision

“To be an institution where the most formative years of a young mind are spent in the guided pursuit of excellence while developing a spirit of inquisitive questioning, an ability to excel in the pressure of a fast-changing professional world, and a desire to grow into a personality than a person, in an environment that fosters strong moral and ethical values, teamwork, community service and environment consciousness.”

The Mission

- To be the enablers of a confluence of academic rigor and professional practicality.
- To bring global best practices to students through widespread use of technology.
- To empower faculty to constantly develop new skills and excel professionally.
- To provide the best campus environment to students and faculty with all facilities to nurture their interests.

Quality Policy

MU believes that the quality of education is defined by its most important stake holders- students, prospective employers and the society. To this end MU commits itself to:

- Deliver education consistent with the needs of business and society;
- Continuously innovate education processes to keep them comparable with the best in class;
- Design curriculum to ensure that the creativity and innovative capacity of students are continuously enhanced;
- Attract, develop and retain highly competent faculty members;
- Develop systems for ensuring quality of student intake; and
- Continuously monitor the quality of output through structured feedback

Objects of the University

To disseminate and advance knowledge by providing instructional, research & extension facilities and endeavor to provide necessary atmosphere and ambience to students and teachers for the promotion of:

- Learning in its student body and in society generally;
- Knowledge through teaching scholarly research and scientific investigation;

- Cultural and social life of society, while fostering and respecting the diversity of the university;
- Capacity for independent critical thinking amongst its students;
- Support and contribution to realization of nation, economic and social development;
- Highest standard in quality of teaching and research;
- Lifelong learning; and
- Gender balance and equality of opportunity among students and employees of the university.

Short Term Goals

- To integrate infrastructure and support facilities for optimal utilization by the stakeholders.
- To strengthen system for improving the employability of students by imparting industry-driven and need-based education.
- To monitor and assess quality indicators for continually raising the level of satisfaction among stakeholders.
- To establish Research & Development/Incubation Center for nurturing research culture in the University.
- To organize FDP for providing round-the-year induction training and refresher programs.

Long Term Goals

- To create synergetic partnership among industry, research labs and the academic institutions and meeting their emerging demands.
- To create facilities for improvement of the competencies of faculty.
- To promote R&D culture in the University, and provide professional work environment.
- To establish an incubation center for identified industry.
- To create testing and consulting facilities at a large scale.
- To establish copyright, patent and Legal Cell for providing guidance.
- To establish active linkages at National & International level with the institutions, industry and economy through bilateral activities.
- To strive for international recognition of Mangalayatan University as a center for research and training

MESSAGE FROM THE CHANCELOR

With the emerging trends of globalization and growing use of new technologies, the world of knowledge has become borderless. It is now imperative for academicians to pour effort into developing a skilled workforce equipped to face emerging challenges. Mangalayatan University has initiated this process with its mission for acclaimed success.

Mangalayatan University is entering into its 15th year since inception. Fourteen glorious years of progress and the enormous achievements over this time are testimony to the success story of the Mangalayatan University. With a vibrant intellectual leadership shaping innovative methods of education and state-of-the-art facilities and programs, Mangalayatan University continues to exemplify its commitment to continuous academic development and transformation.

I wish all faculty and students of Mangalayatan University to aim high and grab every opportunity to grow professionally, spiritually, emotionally and intellectually. I congratulate the Mangalayatan Family on their commendable attainments and hope for a great future.

Gopal Das Neeraj
Padam Bhushan
Chancellor

MESSAGE FROM THE CHAIRMAN

Higher education is a yardstick by which the progress of every nation is measured. Today, as India stands at the doorstep of a most exciting future replete with possibilities of unprecedented growth and development, higher education stands out as the pivotal variable – a factor that all of us as responsible citizens have the good fortune to impact. Today, industry, academia and the general society, all need to join hands to share each other's expertise, enthusiasm and commitment to make a truly skilled, progressive and responsible Indian citizenry a reality. In keeping with this spirit, Mangalayatan University has focused on providing holistic and relevant education to its students in an environment that inculcates values, mutual respect and cooperation.

Today, Mangalayatan University students are preparing for exams like GATE, CAT, GRE and TOEFL along with honing their technical skills for employment in the top public and private sector companies. The footprint to this career preparation initiative has been expanded further by General Awareness and Knowledge Intensive Skill based courses in every semester of study in our undergraduate programs. Truly, the next generation of Mangalayatan students is shaping up to be a ready and skill oriented youth that will be the pride of their parents, their Alma Mater and society at large.

In this day and age where a college aspirant and his parents have to worry about the course of study, the learning environment, the quality of guidance, the relevance of the program to the outside world, and the whole someness of the living environment, it is our firm belief that the best of each of these is present in our beautiful lush green 70-acre campus. We invite you, dear students and your parents to walk through our gate, interact with our wonderful faculty, and feel the positivity and vibrancy in the Mangalayatan University atmosphere.

Pawan Jain

Chairman

Mangalayatan University, Aligarh

MESSAGE FROM THE VICE CHANCELLOR

We believe Mangalayatan University is “Gurukul of Global Education”. Here, we work towards a fine intermingling of values and global professional talents in the making of temperaments that belong to the future about which I can’t even dream.

The University since its inception goes a foot step forward in strengthening its vision by inspiring students into educational programs. The focus visualizes not only protection from enticements of disruptions but also manipulating time available on campus to rejuvenate classroom learning.

Education in Mangalayatan’s Programs, while recommends the importance of multi- layered exposure in the complete development of personality, recognizes the role of intertwining these multiple exposures around formal studies given the age bracket of targeted students. I am optimistic of the fact that curriculum development for Mangalayatan Programs has been done through a rigorous counseling process involving subject matter experts, industrial leaders and behavioral trainers. The salient features of these programs assimilate mandatory presence in sports/culture and co- curricular activities with the blended classroom learning is expected to provide a holistic educational experience in theory and practice.

The new strategic plan is evolving and during this time, our students will have ample technology assisted opportunities and experience which aim at constructing a formidable academic structure and accomplishment. Concurrently, we expect to enhance employability of our students, and increase our research potentials consistent with international standard, practices and pursuits.

I welcome the young postulants of distinction to join us in this journey and with our joint efforts perhaps we will enhance a much needed change to the society.

My best wishes!

Prof. S. C. Jain
Vice Chancellor

3. ACADEMIC INSTITUTES AND DEPARTMENTS AND OTHER UNITS

A. FACULTY OF ENGINEERING & SCIENCES

a) INSTITUTE OF ENGINEERING & TECHNOLOGY (IET)

Institute of Engineering & Technology (IET) was established in 2007. Two new departments Mechanical Engineering and Civil Engineering were introduced in 2009. The Institute of Engineering and Technology was reorganized in the year 2015, vide letter number MU/RO/Reorg of Institutes/14-15/468 dated 20 May 2015.

The institute offers under graduate, Post Graduate & Doctoral Programs in the disciplines of Electrical & Electronics Engineering, Electronics & Communications Engineering, Computer Science Engineering, Mechanical Engineering, Civil Engineering, Biotechnology and Computer applications. The curriculum of each program has been designed by eminent academicians and industry professionals with significant industry input, enabling students to get exposure to the latest technologies and industry trends. The programs of the IET strongly emphasize that engineers of tomorrow must essentially be creative, hardworking and ready to shoulder challenges, strategically and optimally in a global perspective. It is committed to imbibe critical thinking ability in skilled engineers, capable of solving complex problems and to enable them to work as dedicated professional to serve their companies, society in particular and humanity in general.

The vision of education at the IET is based on innovative learning methodologies, constant improvement, inculcating of practical skills and an unwavering commitment to academic quality. We also believe that education must relate to the real world environment and be able to contribute to the society. IET facilitates its students to acquire a holistic approach, coupled with inner merit, will transform them into citizens with vision, a deep sense of ethics so as to help them discharge their societal responsibilities.

Constituent Departments of Institute of Engineering & Technology

- (i) Department of Computer Science & Engineering (CSE)
- (ii) Department of Computer Applications (DCA)
- (iii) Department of Electric and Electronics Engineering (EEE)
- (iv) Department of Mechanical Engineering (ME)
- (v) Department of Civil Engineering (CE)
- (i) **Department of Computer Science & Engineering**

About the Department

The Department of Computer Science and Engineering offers a vibrant environment of graduate, post graduate education and research, it was established in 2007 and is one of the earliest department in Mangalayatan University.

The Department has well qualified faculty members from distinguished Universities/Institutes and well-

equipped laboratories. Computer Science & Engineering Department is committed to promoting excellence and developing Knowledge that relevant to the latest technological development. The department of Computer Science & Engineering at Mangalayatan University comes aegis of Institute of Engineering & Technology. The Department of Computer Science and Engineering has distinction of initiating specialized computer-based training systems aimed at raising the quality of its student employability. It's proven truth that computer science has dynamic in nature where innovation & enhancements are being done in quick pace. In order to provide the latest learning Technological Platforms, department took a leap forward.

Vision

To be an institution Where the most formative year of a young mind are spent in the guided pursuit of excellence while developing a spirit of inquisitive questioning, an ability to excel in the pressure of a fast-changing professional world, and a desire to grow into a personality than a person, in an environment that foster strong moral and ethical values, teamwork, community service and environment consciousness.

Mission

- To be the enablers of a confluence of academic rigor and professional practicality.
- To bring global best practices to our students through widespread use of technology.
- To empower our faculty to constantly develop new skills and excel professionally.
- To provide the best campus environment to students and faculty with all facilities to nurture their interests.

Offered Programs

- **UG: Bachelor of Technology (Computer Science Engineering)**
Eligibility: 50 % Marks in PCM/PCSM in 10+2
Selection criteria: Mangalayatan University Entrance Test/ Any National/ State Entrance Test & Personal Interview
- **UG: Bachelor of Technology (Computer Science Engineering)-Lateral Entry**
Eligibility: 50% Marks in Diploma in Engineering or B.Sc. with Mathematics
Selection criteria: Mangalayatan University Entrance Test/ Any National/ State Entrance Examination/ Merit based on Marks in Qualifying Exam & Personal Interview
- **PG: Master of Technology (Computer Science Engineering)**
Eligibility: 50 % Marks in B. Tech. in the relevant specialization
Selection criteria: Mangalayatan University Entrance Test/ Any National/ State Entrance Examination/GATE & Personal Interview.

(ii) Department of Computer Applications

About the Department

The Department of Computer Applications offers a vibrant environment of graduate; it was established in 2010 and is one of the earliest departments in Mangalayatan University.

The Department has well qualified faculty members from distinguished Universities/Institutes and well-

equipped laboratories. Department of Computer Applications is committed to promoting excellence and developing Knowledge that relevant to the latest technological development. The Department of Computer Applications at Mangalayatan University comes aegis of Institute of Engineering & Technology. The Department of Computer Applications has distinction of initiating specialized computer-based training systems aimed at raising the quality of its student employability. It's proven truth that computer science has dynamic in nature where innovation & enhancements are being done in quick pace. In order to provide the latest learning Technological Platforms, department took a leap forward.

Vision

The Bachelor of Computer Applications aims to generate groomed, technically competent and skilled intellectual professionals specifically from the rural area to meet the current challenges of the modern computing industry.

Mission

1. Providing a strong theoretical and practical background across the computer science discipline with an emphasis on software development.
2. To provide technical solutions in the field of Information Technology to the local society.
3. To provide need-based quality training in the field of Information Technology.
4. Empowering the youth in rural communities with computer education.

Offered Programs:

UG: Bachelor of Computer Applications

Eligibility: 50% Marks in PCM/PCSM in 10+2

Selection Criteria: Mangalayatan University Entrance Test/ Any National/ State Entrance Test

(iii) Department of Electrical & Electronics Engineering

The Department of Electrical & Electronics Engineering offers a vibrant environment of graduate, post graduate education and research; it was established in 2007 as two distinctive branches of engineering namely Department of Electronics & Communication Engineering and Department of Electrical Engineering at the Institute of Engineering & Technology. Within the ambit of interdisciplinary and interdependent nature of both the Departments, Department of Electrical & Electronics Engineering was shaped by merging the two Departments in the year 2017.

The Department has well qualified faculty members from distinguished Universities/Institutes and well equipped laboratories i.e., Electronics Engineering Lab, Analog Devices and Circuits Lab, Digital Electronics Lab, Linear Integrated Circuits Lab, Communication Systems Lab, Microwave Engineering Lab, Automation Lab, Microprocessor and Applications Lab, Electrical Engineering Lab, Networks Systems Lab, Measurement and Instrumentation Lab, Electrical Machines Lab and Control Engineering Lab etc. The Department of Electrical & Electronics Engineering has distinction of initiating specialized computer based training of electronic and communication systems aimed at raising the quality of its student employability.

Vision

To impart quality technical education in electrical, electronics & communication engineering and emphasizing analysis, design/synthesis and evaluation of hardware / software / electrical machines, using various electronic and electrical tools with accent on creativity, innovation and research thereby producing competent engineers who can meet global challenges with societal commitment.

Mission

- To impart quality education in fundamentals of basic sciences, mathematics, electrical, electronics and communication engineering through innovative teaching-learning processes.
- To facilitate Graduates define, design, and solve engineering problems in the field of electrical, electronics and communication engineering using various electrical and electronic tools.
- To encourage research culture among faculty and students thereby facilitating them to be creative and innovative through constant interaction with R & D organizations and Industry.
- To inculcate teamwork, imbibe leadership qualities, professional ethics and social responsibilities in students and faculty.

Program Offered:

- **Bachelor of Technology** (Electronics & Communication Engineering)
Eligibility: 50% Marks in PCM/PCSM in 10+2
Selection criteria: Mangalayatan University Entrance Test / Any National / State Entrance Test & Personal Interview.
- **Bachelor of Technology** (Electronics & Communication Engineering)-Lateral Entry
Eligibility: 50% Marks in Diploma in Engineering OR B.Sc. with Mathematics
Selection criteria: Mangalayatan University Entrance Test / Any National / State Entrance Examination / Merit based on Marks in Qualifying Exam & Personal Interview.
- **Bachelor of Technology** (Electronics & Electrical Engineering)
Eligibility: 50% Marks in PCM/PCSM in 10+2
Selection criteria: Mangalayatan University Entrance Test / Any National / State Entrance Test & Personal Interview.
- **Master of Technology** (Electronics & Electrical Engineering)
Eligibility: 50% Marks in B.Tech. In the relevant specialization
Selection criteria: Mangalayatan University Entrance Test / Any National / State Entrance Examination / GATE & Personal Interview.
- **Master of Technology** (Electronics & Communication Engineering)
Eligibility: 50% Marks in B.Tech. In the relevant specialization
Selection criteria: Mangalayatan University Entrance Test / Any National / State Entrance Examination / GATE & Personal Interview.
- **Ph.D.**
Eligibility: 55% Marks in M. Tech. in the relevant specialization

Selection criteria: Mangalayatan University Entrance Test / UGC-NET / GATE and Personal Interview

Infrastructure of Laboratories

S.N.	Lab Name	Specifications
1	Electronics Engg. Lab	Electronics Components: Diode, Transistor, CRO, Electrical Circuits
2	Electrical Engg. Lab	Electrical Components
3	Microprocessor and Applications Lab	8085 & 8086 Microprocessor Kits
4	Mechatronics Lab	PLC trainer Kits, Water level module, Traffic Light Simulator
5	Microwave Engineering Lab	Antennas, Microwave Benches and Devices
6	Workshop PCB Designing Lab	Copper board and Chemicals with different machines, Explorer, U.V. Rays Machine and Drill Machine etc.
7	Optical Communication Lab	Optical Signal based Kits
8	Digital Electronics Lab	Logic Circuits and Ics
9	Analog Devices and Circuits Lab	Amplifiers, Oscillators Kits etc.
10	Embedded Systems Lab	Microcontroller 8051 etc.
11	Circuits and Systems	Superposition Theorem Kits, Electrical Circuits etc.
12	Electrical Machines-I	DC Shunt Generator, DC Motors and Transformers etc.
13	Electrical Machines-II	Induction Motor and Generator, Synchronous Motor etc.
14	Electrical Machine and Drives	Microcontroller based Motor, MOSFET based Chopper Motor Controllers etc.
15	Power Electronics	Function Generator, Universal Motor, DIACE Characteristics Kits
16	Control Engineering-I	PID Controller Kits , Magnetic Amplifiers Kits
17	Control Engineering-II	Microprocessor Kits , Relay Control System
18	Power Systems-I	Earth Tester, Major Earth resistance, ABCD Parameters.
19	Power Systems-II	Under Voltage Relay, IDMT Over Current Relay
20	Electrical Measurements and Instrumentation	Kelvin Double Bridge Kits , Maxwell Bridge Kits
21	Utilization of Energy lab	DC Series Motors , Different Light Source etc.

(iv) The Department Of Mechanical Engineering

The Department of Mechanical Engineering in Institute of Engineering & Technology (IET) started its journey in the year 2010. The department is vibrant with several activities round the year. Department of Mechanical Engineering is exceeding to promote knowledge and developing skills that are relevant to the latest technologies. Students of our department are always motivated for getting ideas about the new technologies developing around the world. Mechanical Engineering is always considered as the mother of all modern engineering technologies. Today, as the single largest department in IET which is well-equipped with 18 laboratories like Hydraulic Machines, Heat Transfer, IC Engines, Refrigeration & Air-conditioning etc. It attracts and features an extra ordinary rich diversity of 500 graduates and a several number of post graduates alumni. Furthermore, for improving knowledge, students must get some practical exposure along with the theoretical concepts. For this, the department is pioneering job oriented training in Industries for the students. The department is having a strong team of self-motivated young and dynamic faculty members.

Vision

The Department of Mechanical Engineering endeavors to be recognized globally for outstanding education and research leading to well qualified engineers, who are innovative, entrepreneurial and successful in advanced fields of mechanical engineering to cater the ever-changing industrial demands and social needs.

Mission

- To imparting highest quality education to the students to build their capacity and enhancing their skills to make them globally competitive mechanical engineers.
- To maintaining state of the art research facilities to provide collaborative environment that stimulates faculty, staff and students with opportunities to create, analyze, apply and disseminate knowledge.
- To develop alliances with world class R&D organizations, educational institutions, industry and alumni for excellence in teaching, research and consultancy practices.
- To provide the students with academic environment of excellence, leadership, ethical guidelines and lifelong learning needed for a long productive career.
- To develop alliances with world class R&D organizations, educational institutions, industry and alumni for excellence in teaching, research and consultancy practices.
- To provide the students with academic environment of excellence, leadership, ethical guidelines and lifelong learning needed for a long productive career.

(v) Department of Civil Engineering

Vision

To establish an outstanding centre of regional and national reputation for providing a quality engineering education to the students from the rural area of Uttar Pradesh, excellent research and services to the professional and the community; to produce quality civil engineers; and to employ principles of continual quality improvement to enhance its programme and faculty.

(b) Institute of Applied Sciences (IAS)

The Department of Physics, Chemistry and Mathematics came into existence in 2007 itself with the establishment of the Mangalayatan University. All these departments were flourishing under the governance of the Institute of Engineering and Technology and they get merged into a single unit named Institute of Applied Sciences in 2015. The Institute offers three undergraduate (Honours) and three post-graduate programs in addition to doctoral programs in all the three streams. Besides nurturing the students of the institute's core programs, it offers the academic requisites (Theory and Practical facilities) in Physics, Chemistry and Mathematics for the students of various diploma and degree courses (Bachelor of Technology, Diploma in Engineering, B. Sc. In Biotechnology, Diploma in Pharmacy, Bachelor in Pharmacy, B.Sc. In Agriculture, etc.).

Institute has a team of highly qualified and dedicated faculty members, who became a part of the Institute after completing their doctoral degrees from renowned State & Central Universities and IITs' with a dedication to reach this University at its zenith in the field of academics.

Vision

To impart world-class quality education in our scientific fields and to make the young students and the Faculty as the people of character and caliber having a scientific temper capable of playing a leading role at the national and global level.

Mission

- To ensure that each student receives excellent training both theoretical and practical through adequate classroom teaching, counselling, guidance and the seminar lectures/workshops/symposia etc. arranged during an academic session, with a view to achieve professional and academic excellence.
- Institute Education is central to the institute's vision. It fulfils the mandate to connect practitioner-oriented education with industry, and to incorporate stake holders feedback and knowledge into institute education and research.
- The programs are delivered by faculty and promote basic and applied excellence through on going educational engagement with communities of practice. Institute Education fosters the development of innovative leaders equipped to address complex problems globally.
- The Institute is committed to generating, disseminating, and preserving knowledge, and to working with others to apply this knowledge for the benefit of humankind.

Programs Offered:

- **Bachelor of Science (With Hons.)**
Eligibility: 50% Marks in PCM/PCSM in 10+2 or Equivalent
Selection criteria: Merit based on marks in qualifying exam.
- **Bachelor of Science (CS)**
Eligibility: 50% Marks in PCM/PCSM in 10+2 or Equivalent
Selection criteria: Merit based on marks in qualifying exam.
- **Master of Science (Physics)**
Eligibility: 50% Marks in B. Sc. Or Equivalent
Selection criteria: Merit based on marks in qualifying exam
- **Master of Science (Chemistry)**
Eligibility: 50% Marks in B. Sc. Or Equivalent
Selection criteria: Merit based on marks in qualifying exam
- **Master of Science (Mathematics)**
Eligibility: 50% Marks in B. Sc. Or Equivalent
Selection criteria: Merit based on marks in qualifying exam
- **Ph.D. (Physics / Mathematics / Chemistry)**
Eligibility: 55% Marks in Post-graduation in the relevant specialization
Selection criteria: Mangalayatan University Entrance Test / UGC-NET and Personal Interview.

(c) University Polytechnic

Development and sustenance of the industrial sector are dependent on the availability of trained and skilled manpower to perform multidimensional activities needed to keep the wheels of industry running. The University Polytechnic offers a variety of skill development courses, with an emphasis on basic to advanced engineering techniques and tools, and rigorous task and project based learning under the guidance of experienced mentors. The University Polytechnic conducts Diploma programs in Civil, Electrical, Electronics, Computer Science, Mechanical branches of engineering. Industrial Visits/Guest Lectures/Workshops/Seminars/FDPs are organized regularly.

Vision

To be an institution Where the most formative year of a young mind are spent in the guided pursuit of excellence while developing a spirit of inquisitive questioning, an ability to excel in the pressure of a fast-changing professional world, and a desire to grow into a personality than a person, in an environment that foster strong moral and ethical values, teamwork, community service and environment consciousness.

18. Non Academic Units of Mangalayatan

A. The Central Library

The Library occupies a place of pride in Mangalayatan University and is an essential component of the Institute's outstanding research and education mission. It serves as a creative and innovative partner in supporting teaching, learning and research activities of the Institute. It is the liveliest place on the campus providing a conducive environment that enables learning and advancement of knowledge and promotes discovery and scholarship. The pleasant ambience and the well-furnished library with spacious reading rooms create an atmosphere of serenity and thereby inspire intellectual stimulation and research. The Library stacks over 42811 books. With the fast growing collection, both in digital and print form using the state-of-the-art facilities, the Library is contributing to the University's mission of becoming a world class Institute. The collection of the Library is rich and diverse, especially in terms of the breadth and depth of coverage. Collection encompasses subjects in Engineering & Technology, Management, Commerce, Bio Medical Education & Research, Applied Sciences, Law, Journalism and Mass Communication, Humanities

and related areas. This collection includes Books, Research Journals, Project Reports/Dissertations, CDs, annual reports, newspapers, articles and case studies, etc. Library provides the access to various electronic resources to the bonafide members in various disciplines. The library resources are constantly reviewed and updated according to the growing needs of the MU community. The Library is an institutional member of Developing Library Network (DELNET) and Shodhganga.

The Library is automated with integrated KOHA Library Management Software and has utilized Information Technology extensively to ensure that resources are accessible at any time. The Digital Library provides a conducive environment for intellectual inquiry by providing user-focused services to obtain and evaluate scholarly information and knowledge. It is connected to high speed internet and intranet of network. All activities of Library are computerized, including smart ID cards and On-line Public Access Catalogue (OPAC) to know the status of books at any time. The Library provides various specialized services to the users, i.e., CAS, SDI, News Alert, Reference, Digital Archiving and WEB OPAC.

Orientation programmes to use of digital information resources are periodically conducted. The Prof. J. L. Jain (FH) is the chairman of Library Advisory Committee.

Vision, Mission & Objectives

Vision

The library is the intellectual heart of Mangalayatan University. It aspires for excellence in support for the learning, teaching and research mission of the university with an aim:

1. To evolve an ICT-driven world class academic and research library serving as an access point institution to global information resources and services in all subject fields.
2. To create a Heritage Library consisting of conventional and digital resources of all published work of Mangalayatan University Scholars.
3. To develop an institutional repository to archive and disseminate the University's research output facilitating the scholarly communication globally.
4. To provide the most user-friendly environment for teaching, learning and research so that the University Library becomes the centre-piece of scholarly activities in the University system.
5. To offer information services that are user-centered and instrumental to the advancement of teaching, learning, research and scholarship.
6. To collaborate with faculty members in the common enterprise of knowledge generation, organization, preservation, and effective dissemination.
7. To develop effective linkage mechanisms that enables the Library's clientele to access information in other knowledge institutions both locally and internationally.

Mission

The library aims to empower the teaching mission and intellectual culture of the University community through availability of an organized collection of information, as well as instruction in its access, relevance and evaluation. It seeks to nurture the budding scholars to instil confidence in dealing with increasing

amount of information in an ever-changing array of formats. The mission of the University Library is to enrich and advance learning and discovery by providing access to a broad array of resources for education, research and creative work to ensure the rich interchange of ideas in the pursuit of knowledge.

Objectives

1. To render excellent services of various types in tune with the user needs and aspirations.
2. To develop a comprehensive and balanced collection of print and digital information resources related to educational & research programs.
3. To be accessible and responsive to its clientele by proactively trying to understand and anticipate requirements.
4. To inculcate information awareness among library users through the preparation of information services and instructional programs.
5. To inculcate information awareness among library users through the preparation of information services and instructional programs.
6. To establish and develop relation of communication and cooperation with other information institutions, at local, regional and international level.

D. Hostel

The beautifully constructed students hostel, Sumangalam Hostel, at MU houses more than 600 students. It offers single, double and triple sharing rooms at varying rates, as per choice and availability. Located right next to the university sports facilities, the hostel is a picture of action and festivity on most days. There are fully sequestered, secluded residential areas for boys and girls. The hostel has its own housekeeping staff, with an uninterrupted supply of regular water and purified drinking water. It has round-the-clock security, with a team of wardens (both male and female) and the proctor staying within the hostel premises. The hostel has separate gym facilities for girls and boys, as well as a common set of TT tables for recreation purposes. It is equipped with a dedicated Television Room and lounge. It is also fully Wi-Fi- enabled. One floor of the hostel consists exclusively of amenities, including a basic grocery shop, a saloon and laundry facilities. A dispensary with doctors is available for the students round the clock. One of the most remarkable features of the hostel is its Open- Air Theatre. It is the venue for several formal and informal hostel functions, a key to keeping campus life brimming with energy. The first year boys’ hostel came into existence in 2013, with a capacity of nearly 400, with its own warden and security team. Apart from sharing the residential load, this hostel was established with the acclimatization and security of new students in mind. The hostel has all the requisite facilities, apart from the centralized facilities at Sumangalam that are accessible to first year students.
