## Executive Summary

### Introduction

The word **Mangalayatan** is fashioned by the combination of two words; *Mangal* and *Ayatan* that refer to the Home (Place) that endows contentment and positive vibrations. Mangalayatan University symbolizes the ultimate resource that underlines well-being and prosperity “Learn Today to Lead Tomorrow”.

Mangalayatan University (MU) has been created under “The Mangalayatan University, Uttar Pradesh Act, 2006” and notified by the Government of Uttar Pradesh as Act No. 32 of 2006, by its Gazette No. 362/VII-V-1-1(Ka)-12/2006 dated October 30, 2006, with the right to provide higher education under section 2f of UGC Act 1956 and authorized to award degrees specified in section 22 of UGC Act. The UGC inspected the University during May 12-14, 2011 and validated the above empowerment vide F. No. 9-6/2007(CPP-I/PU) dated Feb 8, 2012. The University is a member of Association of Indian Universities (AIU) as approved vide AIU letter numbering MEET/87/AM/BS/2013/, dated Aug 5, 2013. All programs offered by the University have regulatory approval by regulatory authorities like UGC, National Council for Teacher Education (NCTE), Bar Council of India (BCI) and Pharmacy Council of India (PCI).

The University has been promoted by Acharya Kundkund Educational Society. The Chairman of the Society Shri Hemant Goyal, an industrialist, is the Chairman of the Board of Management of the University.

The Court of the University comprises the Chancellor, Vice Chancellor, Pro Vice Chancellor, two academicians nominated by the Visitor, an educationist of repute nominated by the Society, and the Registrar as its Secretary. The Vice Chancellor is the Chief Executive of the University. The University is administered by him through the Executive Council and the Academic Council, both chaired by him.

Nearly 3200 students currently study in the University. Its faculty body consists of several highly qualified and motivated individuals from the IITs, NITs, foreign universities and other high-quality institutions. They champion the adoption of the latest teaching methods and constantly keep themselves updated with the latest technological and industrial advances. MU’s vision is to give students from all kinds of backgrounds a quality educational experience leading legitimately to rewarding career opportunities.

As part of its longer term vision, MU is tying up with several industry leaders in order to make industrial training and exposure a growing part of its core curriculum. The University has signed MoUs with various national and international organizations like National Jalma Institute of Leprosy & other Mycobacterial Diseases, Agra; Usha Martin University, Ranchi, Jharkhand; Himalayan University, Itanagar, Arunachal Pradesh; Mangalayatan University, Jabalpur, Madhya Pradesh

In tandem, MU ensures that its students acquire a strong sense of community responsibility thanks to the environment they live in, symbolized best by the grand Jain Temple on campus. With over 900 campus residents, the 72 acre lush green campus of MU sports a vibrant, energetic feel at all times.

MU students ensure that there is never a dull day on campus. Some student initiatives like *Kadam*, NSS and *Red Cross* do stellar work in the nearby village areas in the fields of education, hygiene, health and

environmental awareness. Over the years, companies such as Infosys, HCL, ICICI Lombard, the Indian Armed Forces (Army, Navy and Air Force), HDFC Life, Johnson & Johnson, R Systems, Manhattan Associates, HDFC Bank and several others have been part of our placements.

## **The Vision**

“To be an institution where the most formative years of a young mind are spent in the guided pursuit of excellence while developing a spirit of inquisitive questioning, an ability to excel in the pressure of a fast-changing professional world, and a desire to grow into a personality than a person, in an environment that fosters strong moral and ethical values, teamwork, community service and environment consciousness.”

## **The Mission**

- To be the enablers of a confluence of academic rigor and professional practicality.
- To bring global best practices to students through widespread use of technology.
- To empower faculty to constantly develop new skills and excel professionally.
- To provide the best campus environment to students and faculty with all facilities to nurture their interests.

## **Quality Policy**

MU believes that the quality of education is defined by its most important stake holders- students, prospective employers and the society. To this end MU commits itself to:

- Deliver education consistent with the needs of business and society;
- Continuously innovate education processes to keep them comparable with the best in class;
- Design curriculum to ensure that the creativity and innovative capacity of students are continuously enhanced;
- Attract, develop and retain highly competent faculty members;
- Develop systems for ensuring quality of student intake; and
- Continuously monitor the quality of output through structured feedback

## **Objects of the University**

To disseminate and advance knowledge by providing instructional, research & extension facilities and endeavor to provide necessary atmosphere and ambience to students and teachers for the promotion of:

- Learning in its student body and in society generally;
- Knowledge through teaching scholarly research and scientific investigation;
- Cultural and social life of society, while fostering and respecting the diversity of the university;
- Capacity for independent critical thinking amongst its students;

- Support and contribution to realization of nation, economic and social development;
- Highest standard in quality of teaching and research;
- Lifelong learning; and
- Gender balance and equality of opportunity among students and employees of the university.

### **Short Term Goals**

- To integrate infrastructure and support facilities for optimal utilization by the stakeholders.
- To strengthen system for improving the employability of students by imparting industry-driven and need-based education.
- To monitor and assess quality indicators for continually raising the level of satisfaction among stakeholders.
- To establish Research & Development/Incubation Center for nurturing research culture in the University.
- To organize FDP for providing round-the-year induction training and refresher programs.

### **Long Term Goals**

- To create synergetic partnership among industry, research labs and the academic institutions and meeting their emerging demands.
- To create facilities for improvement of the competencies of faculty.
- To promote R&D culture in the University, and provide professional work environment.
- To establish an incubation center for identified industry.
- To create testing and consulting facilities at a large scale.
- To establish copyright, patent and Legal Cell for providing guidance.
- To establish active linkages at National & International level with the institutions, industry and economy through bilateral activities.
- To strive for international recognition of Mangalayatan University as a center for research and training

## MESSAGE FROM THE CHANCELOR

With the emerging trends of globalization and growing use of new technologies, the world of knowledge has become borderless. It is now imperative for academicians to pour effort into developing a skilled workforce equipped to face emerging challenges. Mangalayatan University has initiated this process with its mission for acclaimed success.

Mangalayatan University is entering into its 15<sup>th</sup> year since inception. Fourteen glorious years of progress and the enormous achievements over this time are testimony to the success story of the Mangalayatan University. With a vibrant intellectual leadership shaping innovative methods of education and state-of-the-art facilities and programs, Mangalayatan University continues to exemplify its commitment to continuous academic development and transformation.

I wish all faculty and students of Mangalayatan University to aim high and grab every opportunity to grow professionally, spiritually, emotionally and intellectually. I congratulate the Mangalayatan Family on their commendable attainments and hope for a great future.

## MESSAGE FROM THE CHAIRMAN

Higher education is a yardstick by which the progress of every nation is measured. Today, as India stands at the doorstep of a most exciting future replete with possibilities of unprecedented growth and development, higher education stands out as the pivotal variable – a factor that all of us as responsible citizens have the good fortune to impact. Today, industry, academia and the general society, all need to join hands to share each other's expertise, enthusiasm and commitment to make a truly skilled, progressive and responsible Indian citizenry a reality. In keeping with this spirit, Mangalayatan University has focused on providing holistic and relevant education to its students in an environment that inculcates values, mutual respect and cooperation.

Today, Mangalayatan University students are preparing for exams like GATE, CAT, GRE and TOEFL along with honing their technical skills for employment in the top public and private sector companies. The footprint to this career preparation initiative has been expanded further by General Awareness and Knowledge Intensive Skill based courses in every semester of study in our undergraduate programs. Truly, the next generation of Mangalayatan students is shaping up to be a ready and skill oriented youth that will be the pride of their parents, their Alma Mater and society at large.

In this day and age where a college aspirant and his parents have to worry about the course of study, the learning environment, the quality of guidance, the relevance of the program to the outside world, and the wholesomeness of the living environment, it is our firm belief that the best of each of these is present in our beautiful lush green 70-acre campus. We invite you, dear students and your parents to walk through our gate, interact with our wonderful faculty, and feel the positivity and vibrancy in the Mangalayatan University atmosphere.

**Hemant Goyal**  
**Chairman**  
**Mangalayatan University, Aligarh**

## MESSAGE FROM THE VICE CHANCELLOR

We believe Mangalayatan University is “Gurukul of Global Education”. Here, we work towards a fine intermingling of values and global professional talents in the making of temperaments that belong to the future about which I can’t even dream.

The University since its inception goes a foot step forward in strengthening its vision by inspiring students into educational programs. The focus visualizes not only protection from enticements of disruptions but also manipulating time available on campus to rejuvenate classroom learning.

Education in Mangalayatan’s Programs, while recommends the importance of multi- layered exposure in the complete development of personality, recognizes the role of intertwining these multiple exposures around formal studies given the age bracket of targeted students. I am optimistic of the fact that curriculum development for Mangalayatan Programs has been done through a rigorous counseling process involving subject matter experts, industrial leaders and behavioral trainers. The salient features of these programs assimilate mandatory presence in sports/culture and co- curricular activities with the blended classroom learning is expected to provide a holistic educational experience in theory and practice.

The new strategic plan is evolving and during this time, our students will have ample technology assisted opportunities and experience which aim at constructing a formidable academic structure and accomplishment. Concurrently, we expect to enhance employability of our students, and increase our research potentials consistent with international standard, practices and pursuits.

I welcome the young postulants of distinction to join us in this journey and with our joint efforts perhaps we will enhance a much needed change to the society.

My best wishes!

**Prof. KVSM Krishna**  
**Vice Chancellor**

### **3. ACADEMIC INSTITUTES AND DEPARTMENTS AND OTHER UNITS**

#### **A. FACULTY OF ENGINEERING & SCIENCES**

##### **a) INSTITUTE OF ENGINEERING & TECHNOLOGY (IET)**

Institute of Engineering & Technology (IET) was established in 2007. Two new departments Mechanical Engineering and Civil Engineering were introduced in 2009. The Institute is of Engineering and Technology was reorganized in the year 2015, vide letter number MU/RO/Reorg of Institutes/14-15/468 dated 20 May 2015.

The institute offers under graduate, Post Graduate & Doctoral Programs in the disciplines of Electrical & Electronics Engineering, Electronics & Communications Engineering, Computer Science Engineering, Mechanical Engineering, Civil Engineering, Biotechnology and Computer applications. The curriculum of each program has been designed by eminent academicians and industry professionals with significant industry input, enabling students to get exposure to the latest technologies and industry trends. The programs of the IET strongly emphasize that engineers of tomorrow must essentially be creative, hardworking and ready to shoulder challenges, strategically and optimally in a global perspective. It is committed to imbibe critical thinking ability in skilled engineers, capable of solving complex problems and to enable them to work as dedicated professional to serve their companies, society in particular and humanity in general.

The vision of education at the IET is based on innovative learning methodologies, constant improvement, inculcating of practical skills and an unwavering commitment to academic quality. We also believe that education must relate to the real world environment and be able to contribute to the society. IET facilitates its students to acquire a holistic approach, coupled with inner merit, will transform them into citizens with vision, a deep sense of ethics so as to help them discharge their societal responsibilities.

##### **Constituent Departments of Institute of Engineering & Technology-**

- (i) Department of Computer Science & Engineering (CSE)
- (ii) Department of Computer Applications (DCA)
- (iii) Department of Electric and Electronics Engineering (EEE)
- (iv) Department of Mechanical Engineering (ME)
- (v) Department of Civil Engineering (CE)
- (i) Department of Computer Science & Engineering**

##### **About the Department**

The Department of Computer Science and Engineering offers a vibrant environment of graduate, post graduate education and research, it was established in 2007 and is one of the earliest department in Mangalayatan University.

The Department has well qualified faculty members from distinguished Universities/Institutes and well-equipped laboratories. Computer Science & Engineering Department is committed to promoting excellence

and developing Knowledge that relevant to the latest technological development. The department of Computer Science & Engineering at Mangalayatan University comes aegis of Institute of Engineering & Technology. The Department of Computer Science and Engineering has distinction of initiating specialized computer-based training systems aimed at raising the quality of its student employability. It's proven truth that computer science has dynamic in nature where innovation & enhancements are being done in quick pace. In order to provide the latest learning Technological Platforms, department took a leap forward.

## **Vision**

To be an institution Where the most formative year of a young mind are spent in the guided pursuit of excellence while developing a spirit of inquisitive questioning, an ability to excel in the pressure of a fast-changing professional world, and a desire to grow into a personality than a person, in an environment that foster strong moral and ethical values, teamwork, community service and environment consciousness.

## **Mission**

- To be the enablers of a confluence of academic rigor and professional practicality.
- To bring global best practices to our students through widespread use of technology.
- To empower our faculty to constantly develop new skills and excel professionally.
- To provide the best campus environment to students and faculty with all facilities to nurture their interests.

## **Offered Programs**

- **UG: Bachelor of Technology (Computer Science Engineering)**  
**Eligibility:** 50 % Marks in PCM/PCSM in 10+2  
**Selection criteria:** Mangalayatan University Entrance Test/ Any National/ State Entrance Test & Personal Interview
- **UG: Bachelor of Technology (Computer Science Engineering)-Lateral Entry**  
**Eligibility:** 50% Marks in Diploma in Engineering or B.Sc. with Mathematics  
**Selection criteria:** Mangalayatan University Entrance Test/ Any National/ State Entrance Examination/ Merit based on Marks in Qualifying Exam & Personal Interview
- **PG: Master of Technology (Computer Science Engineering)**  
**Eligibility:** 50 % Marks in B. Tech. in the relevant specialization  
**Selection criteria:** Mangalayatan University Entrance Test/ Any National/ State Entrance Examination/GATE & Personal Interview.

## **(ii) Department of Computer Applications**

### **About the Department**

The Department of Computer Applications offers a vibrant environment of graduate; it was established in 2010 and is one of the earliest departments in Mangalayatan University.

The Department has well qualified faculty members from distinguished Universities/Institutes and well-

equipped laboratories. Department of Computer Applications is committed to promoting excellence and developing Knowledge that relevant to the latest technological development. The Department of Computer Applications at Mangalayatan University comes aegis of Institute of Engineering & Technology. The Department of Computer Applications has distinction of initiating specialized computer-based training systems aimed at raising the quality of its student employability. It's proven truth that computer science has dynamic in nature where innovation & enhancements are being done in quick pace. In order to provide the latest learning Technological Platforms, department took a leap forward.

## **Vision**

The Bachelor of Computer Applications aims to generate groomed, technically competent and skilled intellectual professionals specifically from the rural area to meet the current challenges of the modern computing industry.

## **Mission**

1. Providing a strong theoretical and practical background across the computer science discipline with an emphasis on software development.
2. To provide technical solutions in the field of Information Technology to the local society.
3. To provide need-based quality training in the field of Information Technology.
4. Empowering the youth in rural communities with computer education.

## **Offered Programs:**

### **UG: Bachelor of Computer Applications**

**Eligibility:** 50% Marks in PCM/PCSM in 10+2

**Selection Criteria:** Mangalayatan University Entrance Test/ Any National/ State Entrance Test

### **(iii) Department of Electrical & Electronics Engineering**

The Department of Electrical & Electronics Engineering offers a vibrant environment of graduate, post graduate education and research; it was established in 2007 as two distinctive branches of engineering namely Department of Electronics & Communication Engineering and Department of Electrical Engineering at the Institute of Engineering & Technology. Within the ambit of interdisciplinary and interdependent nature of both the Departments, Department of Electrical & Electronics Engineering was shaped by merging the two Departments in the year 2017.

The Department has well qualified faculty members from distinguished Universities/Institutes and well equipped laboratories i.e., Electronics Engineering Lab, Analog Devices and Circuits Lab, Digital Electronics Lab, Linear Integrated Circuits Lab, Communication Systems Lab, Microwave Engineering Lab, Automation Lab, Microprocessor and Applications Lab, Electrical Engineering Lab, Networks Systems Lab, Measurement and Instrumentation Lab, Electrical Machines Lab and Control Engineering Lab etc. The Department of Electrical & Electronics Engineering has distinction of initiating specialized computer based training of electronic and communication systems aimed at raising the quality of its student employability.

## Vision

To impart quality technical education in electrical, electronics & communication engineering and emphasizing analysis, design/synthesis and evaluation of hardware / software / electrical machines, using various electronic and electrical tools with accent on creativity, innovation and research thereby producing competent engineers who can meet global challenges with societal commitment.

## Mission

- To impart quality education in fundamentals of basic sciences, mathematics, electrical, electronics and communication engineering through innovative teaching-learning processes.
- To facilitate Graduates define, design, and solve engineering problems in the field of electrical, electronics and communication engineering using various electrical and electronic tools.
- To encourage research culture among faculty and students thereby facilitating them to be creative and innovative through constant interaction with R & D organizations and Industry.
- To inculcate teamwork, imbibe leadership qualities, professional ethics and social responsibilities in students and faculty.

## Program Offered:

- **Bachelor of Technology** (Electronics & Communication Engineering)  
**Eligibility:** 50% Marks in PCM/PCSM in 10+2  
**Selection criteria:** Mangalayatan University Entrance Test / Any National / State Entrance Test & Personal Interview.
- **Bachelor of Technology** (Electronics & Communication Engineering)-Lateral Entry  
**Eligibility:** 50% Marks in Diploma in Engineering OR B.Sc. with Mathematics  
**Selection criteria:** Mangalayatan University Entrance Test / Any National / State Entrance Examination / Merit based on Marks in Qualifying Exam & Personal Interview.
- **Master of Technology** (Communication Systems)  
**Eligibility:** 50% Marks in B.Tech. In the relevant specialization  
**Selection criteria:** Mangalayatan University Entrance Test / Any National / State Entrance Examination / GATE & Personal Interview.
- **Ph.D.**  
**Eligibility:** 55% Marks in M. Tech. in the relevant specialization  
**Selection criteria:** Mangalayatan University Entrance Test / UGC-NET / GATE and Personal Interview

## Infrastructure of Laboratories

S.N.	Lab Name	Specifications
1	Electronics Engg. Lab	Electronics Components: Diode, Transistor, CRO, Electrical Circuits
2	Electrical Engg. Lab	Electrical Components

S.N.	Lab Name	Specifications
3	Microprocessor and Applications Lab	8085 & 8086 Microprocessor Kits
4	Mechatronics Lab	PLC trainer Kits, Water level module, Traffic Light Simulator
5	Microwave Engineering Lab	Antennas, Microwave Benches and Devices
6	Workshop PCB Designing Lab	Copper board and Chemicals with different machines, Explorer, U.V. Rays Machine and Drill Machine etc.
7	Optical Communication Lab	Optical Signal based Kits
8	Digital Electronics Lab	Logic Circuits and ICs
9	Analog Devices and Circuits Lab	Amplifiers, Oscillators Kits etc.
10	Embedded Systems Lab	Microcontroller 8051 etc.
11	Circuits and Systems	Superposition Theorem Kits, Electrical Circuits etc.
12	Electrical Machines-I	DC Shunt Generator, DC Motors and Transformers etc.
13	Electrical Machines-II	Induction Motor and Generator, Synchronous Motor etc.
14	Electrical Machine and Drives	Microcontroller based Motor, MOSFET based Chopper Motor Controllers etc.
15	Power Electronics	Function Generator, Universal Motor , DIACE Characteristics Kits
16	Control Engineering-I	PID Controller Kits , Magnetic Amplifiers Kits
17	Control Engineering-II	Microprocessor Kits , Relay Control System
18	Power Systems-I	Earth Tester, Major Earth resistance, ABCD Parameters.
19	Power Systems-II	Under Voltage Relay, IDMT Over Current Relay
20	Electrical Measurements and Instrumentation	Kelvin Double Bridge Kits, Maxwell Bridge Kits
21	Utilization of Energy lab	DC Series Motors , Different Light Source etc.

#### (iv) The Department of Mechanical Engineering

The Department of Mechanical Engineering in Institute of Engineering & Technology (IET) started its journey in the year 2010. The department is vibrant with several activities round the year. Department of Mechanical Engineering is exceeding to promote knowledge and developing skills that are relevant to the latest technologies. Students of our department are always motivated for getting ideas about the new technologies developing around the world. Mechanical Engineering is always considered as the mother of all modern engineering technologies. Today, as the single largest department in IET which is well-equipped with 18 laboratories like Hydraulic Machines, Heat Transfer, IC Engines, Refrigeration & Air-conditioning etc. It attracts and features an extra ordinary rich diversity of 500 graduates and a several number of post graduates alumni. Furthermore, for improving knowledge, students must get some practical exposure along with the theoretical concepts. For this, the department is pioneering job oriented training in Industries for the students. The department is having a strong team of self-motivated young and dynamic faculty members.

#### Vision

The Mechanical Engineering Department endeavors to be recognized globally for outstanding education and research leading to well qualified engineers, who are innovative, entrepreneurial and successful in advanced fields of mechanical engineering to cater the ever changing industrial demands and social need.

## Mission

- To imparting highest quality education to the students to build their capacity and enhancing their skills to make them globally competitive mechanical engineers.
- To maintaining state of the art research facilities to provide collaborative environment that stimulates faculty, staff and students with opportunities to create, analyze, apply and disseminate knowledge.
- To develop alliances with world class R&D organizations, educational institutions, industry and alumni for excellence in teaching, research and consultancy practices.
- To provide the students with academic environment of excellence, leadership, ethical guidelines and lifelong learning needed for a long productive career.

## Program Offered:

- **Bachelor of Technology** (Mechanical Engineering)  
**Eligibility:** 50% Marks in PCM/PCSM in 10+2  
**Selection criteria:** Mangalayatan University Entrance Test / Any National / State Entrance Test & Personal Interview.
- **Bachelor of Technology** (Mechanical Engineering) - Lateral Entry  
**Eligibility:** 50% Marks in Diploma in Engineering or B.Sc. with Mathematics  
**Selection criteria:** Mangalayatan University Entrance Test / Any National / State Entrance Examination / Merit based on Marks in Qualifying Exam & Personal Interview.
- **Master of Technology** (Production Engineering)  
**Eligibility:** 50% Marks in B. Tech. in the relevant specialization  
**Selection criteria:** Mangalayatan University Entrance Test / Any National / State Entrance Examination / GATE & Personal Interview.
- **Ph.D.**  
**Eligibility:** 55% Marks in M. Tech. in the relevant specialization  
**Selection criteria:** Mangalayatan University Entrance Test/ /GATE and Personal Interview

## (v) Department of Civil Engineering

The Department of Civil Engineering offers a vibrant environment of graduate, post graduate education and research, it was established in 2009 and is one of the earliest department in Mangalayatan University.

The Department has well qualified faculty members from distinguished Universities/Institutes and well equipped laboratories viz; Building material testing, Strength of materials, Soil mechanics, Transportation engg., Surveying & Geomatics, Geology, Concrete structures, Drawing & Estimation Engineering Lab etc. Despite being one of FET youngest department since it has one of the largest students base. The M.Tech. programme in Environmental Engg. has been commenced from the academic year 2015-16.

### Vision:

To establish an outstanding centre of regional and national reputation for providing a quality engineering education to the students from the rural area of Uttar Pradesh, excellent research and services to the professional and the community; to produce quality civil engineers; and to employ principles of continual quality improvement to enhance its programme and faculty.

### Mission:

- To inculcate teamwork, imbibe leadership qualities, professional ethics and social responsibilities in students and faculty.
- To provide knowledge based consultancy services to the community in the areas of civil engineering.
- To create a spirit of involvement in research by developing center of excellence in the field of civil engineering and allied research by long term interaction with industry.

## Program offered:

- **Bachelor of Technology (Civil Engineering)**  
**Eligibility:** 50% Marks in PCM/PCSM in 10+2  
**Selection criteria:** Mangalayatan University Entrance Test / Any National / State Entrance Test & Personal Interview.
- **Bachelor of Technology (Civil Engineering) - Lateral Entry**  
**Eligibility:** 50% Marks in Diploma in Engineering or B.Sc. with Mathematics  
**Selection criteria:** Mangalayatan University Entrance Test / Any National / State Entrance Examination/ Merit based on Marks in Qualifying Exam & Personal Interview.
- **Master of Technology (Civil Engineering)**  
**Eligibility:** 50% Marks in B. Tech. in the relevant specialization  
**Selection criteria:** Mangalayatan University Entrance Test / Any National / State Entrance Examination/GATE & Personal Interview.
- **Ph.D.**  
**Eligibility:** 55% Marks in M. Tech. in the relevant specialization  
**Selection criteria:** Mangalayatan University Entrance Test / UGC-NET / GATE and Personal Interview

## (b) INSTITUTE OF APPLIED SCIENCES (IAS)

The Department of Physics, Chemistry and Mathematics came into existence in 2007 itself with the establishment of the Mangalayatan University. All these departments were flourishing under the governance of the Institute of Engineering and Technology and they get merged into a single unit named Institute of Applied Sciences in 2015. The Institute offers three undergraduate (Honours) and three post-graduate programs in addition to doctoral programs in all the three streams. Besides nurturing the students of the institute's core programs, it offers the academic requisites (Theory and Practical facilities) in Physics, Chemistry and Mathematics for the students of various diploma and degree courses (Bachelor of Technology, Diploma in Engineering, B. Sc. in Biotechnology, Diploma in Pharmacy, Bachelor in Pharmacy, B. Sc. in Agriculture, etc.).

Institute has a team of highly qualified and dedicated faculty members, who became a part of the Institute after completing their doctoral degrees from renowned State & Central Universities and IITs' with a dedication to reach this University at its zenith in the field of academics.

## Vision

To impart world-class quality education in our scientific fields and to make the young students and the Faculty as the people of character and caliber having a scientific temper capable of playing a leading role at the national and global level.

## Mission

- To ensure that each student receives excellent training both theoretical and practical through adequate classroom teaching, counselling, guidance and the seminar lectures/workshops/symposia etc.

arranged during an academic session, with a view to achieve professional and academic excellence.

- Institute Education is central to the institute's vision. It fulfils the mandate to connect practitioner-oriented education with industry, and to incorporate stakeholders' feedback and knowledge into institute education and research.
- The programs are delivered by faculty and promote basic and applied excellence through on going educational engagement with communities of practice. Institute Education fosters the development of innovative leaders equipped to address complex problems globally.
- The Institute is committed to generating, disseminating, and preserving knowledge, and to working with others to apply this knowledge for the benefit of humankind.

### **Programs Offered:**

- **Bachelor of Science (With Hons.)**  
**Eligibility:** 50% Marks in PCM/PCSM in 10+2 or Equivalent  
**Selection criteria:** Merit based on marks in qualifying exam.
- **Master of Science (Physics)**  
**Eligibility:** 50% Marks in B. Sc. or Equivalent  
**Selection criteria:** Merit based on marks in qualifying exam
- **Master of Science (Chemistry)**  
**Eligibility:** 50% Marks in B. Sc. or Equivalent  
**Selection criteria:** Merit based on marks in qualifying exam
- **Master of Science (Mathematics)**  
**Eligibility:** 50% Marks in B. Sc. or Equivalent  
**Selection criteria:** Merit based on marks in qualifying exam
- **Ph.D. (Physics / Mathematics / Chemistry)**  
**Eligibility:** 55% Marks in Post-graduation in the relevant specialization  
**Selection criteria:** Mangalayatan University Entrance Test / UGC-NET and Personal Interview.

### **(c) Department of Agriculture**

The Department of Agriculture was established in 2018 under the Institute of Engineering & Technology and is strengthened with hundred percent doctorate faculty, supporting infrastructure and seventy Five Acre land. The curriculum of Diploma Agriculture, B. Sc. Agriculture, are designed in such a way that it focuses on the overall development of an individual. Great emphasis during the classes is laid on core fundamentals, concepts, field practicals, and the examinations are designed to reflect the understanding of the fundamentals in practical fields. Course work is further augmented by field practicals, course projects, seminars and presentations so that the students become proficient in inculcating team values. In order to boost interest in other disciplines, the students can take up electives and/or audit courses from department other than their core area of specialization. Agriculture Students are exposed to latest industry practices through several industrial visits during their course. Students are also encouraged to undergo industrial training during their summer vacations. The training provides the students with adequate exposure in

tackling live problems encountered in working of industrial entity. Through seminars and lectures the students get an opportunity to interact with eminent personalities from the corporate world and the academia. In addition to these the Agriculture department also organizes various mock interview sessions and personality development workshops that help students shape the pre requisite skills.

## **Vision**

To provide food security to the people of Uttar Pradesh and make agriculture profitable and attractive enterprise with new innovation and research in the field of agricultural sciences

## **Mission**

- To provide high quality teaching, research and development to the students with ability to apply fundamental principles of agriculture sciences.
- To develop a unique academic curriculum designed throughout the interaction with the major stakeholders like industry, NGO, banks and professional societies.
- To promote research and training on sustainable development of agriculture production, cost management in farming, farm mechanization , crop and animal husbandry.
- To ensure the increased net farm income to the farmers through various research schemes, innovative programmes and welfare measures.

## **Programs Offered**

- Bachelor of Science (Agriculture)  
**Eligibility:** 50% Marks in PCM/PCMB/PCB/Agriculture in 10+2  
**Selection criteria:** Mangalayatan University Entrance Test / Any National / State Entrance Test & Personal Interview.
- Master of Science (Agriculture) 2021-22  
**Eligibility:** 50% Marks in B.Sc. Agriculture  
**Selection criteria:** Mangalayatan University Entrance Test / Any National/ State Entrance Test / Personal Interview
- Diploma (Agriculture)  
**Eligibility:** 50% Marks in Science/Agriculture in 10th standard  
**Selection criteria:** Mangalayatan University Entrance Test / Any National / State Entrance Test & Personal Interview

## **(d) University Polytechnic.**

Development and sustenance of the industrial sector are dependent on the availability of trained and skilled manpower to perform multidimensional activities needed to keep the wheels of industry running. The University Polytechnic offers a variety of skill development courses, with an emphasis on basic to advanced engineering techniques and tools, and rigorous task and project based learning under the guidance of experienced mentors. The University Polytechnic conducts Diploma programs in Civil, Electrical, Electronics, Computer Science, Mechanical branches of engineering. Industrial Visits/Guest

Lectures/Workshops/Seminars/FDPs are organized regularly.

## Vision

To be an institution Where the most formative year of a young mind are spent in the guided pursuit of excellence while developing a spirit of inquisitive questioning, an ability to excel in the pressure of a fast-changing professional world, and a desire to grow into a personality than a person, in an environment that foster strong moral and ethical values, teamwork, community service and environment consciousness.

## Mission

- To be the enablers of a confluence of academic rigor and professional practicality.
- To bring global best practices to our students through widespread use of technology.
- To empower our faculty to constantly develop new skills and excel professionally.
- To provide the best campus environment to students and faculty with all facilities to nurture their interests.

## Programs Offered

- **Diploma in Engg.** (Mechanical Engg./Civil Engg./ Electrical Engg./ Electronics Engg./ Computer Science/Automobile Engg./Heating, Ventilation & Air Conditioning)  
**Eligibility:** 45% Marks in 10th standard.  
**Selection criteria:** Merit based on Marks in Qualifying Exam.
- **Diploma in Engg.**(Mechanical Engg./Civil Engg./ Electrical Engg./ Electronics Engg./ Computer Science/ Automobile Engg./Heating,Ventilation & Air Conditioning)- **Lateral Entry**  
**Eligibility:** 50% Marks in ITI/10+2 with PCM.  
**Selection criteria:** Merit based on Marks in Qualifying Exam.

## B. FACULTY OF HUMANITIES (FH)

Faculty of Humanities (FH) offers a range of courses in a broad spectrum of learning are as in Education, Humanities, Visual & Performing Arts, Journalism and Mass Communication and Philosophical Sciences which help in developing life skills and sound personality of the learners through deep understanding of well-designed course content. Special attention is paid to honing the student's skills to become competent professionals. All the courses are comprehensive and challenging to achieve high standards of academic excellence, creativity and professional capabilities.

The Faculty is responsible for teaching and research with in abroad range of subjects in the Humanities.

The following Departments are working under Faculty of Humanities.

- Institute of Education & Research,
- Department of Visual and Performing Arts,
- Department of Journalism & Mass Communications

- Department of Arts
- Department of Library and Information Science
- Centre of Philosophical Sciences

#### **(a) Institute of Education And Research (IER)**

In the present context, role of teachers has transformed into facilitators of knowledge and students are to be trained as discoverers of knowledge. Teachers who are the main component of teaching learning process should be adequately equipped with the necessary skills and knowledge for implementing congruent transactional strategies. The teachers should be trained and motivated to cultivate congenial environment in the classrooms and they should be able to harness the talent of their students for the welfare of the society. They should be able to identify and nurture good talent. Institute of Education and Research established in 2009 with an aim to provide competent, committed and confident teachers who are well versed to take the challenges of the 21st century education. The Institute of Education & Research offers basic and advanced programs which seek to create technology-savvy teachers who are trained to deliver education in the best possible manner. The teaching-learning of the department includes intensive research work leading to Ph.D. in Education.

#### **Vision**

The Institute of Education and Research cherishes a vision of development of quality teachers who are professionally competent having sound knowledge of skills and pedagogy. Apart from building the basic skills, the programs train tomorrow's teachers to be socially conscious and progressive in thought so that our students are capable of handling the responsibility of building the society for tomorrow.

#### **Mission**

- To evolve and implement programs of teacher - education in context of local, national and global levels.
- To promote and nurture innovations in the education system.
- To meet the contemporary demands with technology assisted smart classrooms.
- To organize training facilities with classroom teaching, simulation & microteaching, Internship, seminar mode and counseling sessions for imbibing effective skills in trainee teachers.
- To enhance professional competency of teachers through EPC courses.
- To facilitate community linkages for accomplishment of broader goals of teacher- education.

#### **Programs Offered**

- **Bachelor of Elementary Education (B.El.Ed.)**

**Eligibility:** 50% Marks in 10+2

**Selection criteria:** Mangalayatan University Entrance Test / Any National/State Entrance Test & Personal Interview

- **B.Sc. B.Ed. / B.A B.Ed.**  
**Eligibility:** 50% Marks in 10+2 with relevant subjects  
**Selection criteria:** Mangalayatan University Entrance Test / Any National/State Entrance Test & Personal Interview
- **B.Ed. (Innovative)**  
**Eligibility:** 50% Marks in Graduation/Post Graduation  
**Selection criteria:** Mangalayatan University Entrance Test / Any National/State Entrance Test & Personal Interview
- **Master of Education (M.Ed.)**  
**Eligibility:** Candidate seeking admission to the M.Ed. programme should have obtained at least 50% marks or an equivalent grade in any the following programs  
i. B.Ed.  
ii. B.A. B.Ed. / BSc. B.Ed.  
iii. B.El.Ed.  
iv. D.El.Ed. with an Undergraduate degree (with 50% marks in each)  
**Selection criteria:** Mangalayatan University Entrance Test / Any National/State Entrance Test & Personal Interview
- **Ph.D.**  
**Eligibility:** 55% Marks in M.Ed./M.A. (Education)  
**Selection criteria:** Mangalayatan University Entrance Test / UGC-NET and Personal Interview

## LAB FACILITIES

### Psychology Laboratory:

Educational Psychology is an integral component of every teacher education program as it caters to the need of student teachers to develop an understanding of growth, development and psychological attributes that play an important role in students; holistic development and also provides an in depth knowledge about healthy practices to be adopted in classroom and school as a whole with an objective to facilitate optimum learning. The intent of the laboratory activities is to provide students with an understanding of the importance of objectivity and control in attempting to scientifically study and understand behavior. Psychology laboratory is equipped with apparatus, tools and various tests to conduct experiments which include Intelligence tests (Verbal, Non- verbal), Projective Techniques, Tests of creativity, interest, achievement, motivation, attitude, aptitude, study habits, emotional intelligence scale, self- concept scale etc. The Lab also provides facility to conduct experiments related to memory, sensation and perception.

ICT Resource Centre: ICT Resource center is equipped with LCD, OHP, Television, DVD Player along with Educational CDs, DVDs, and Transparencies etc. It provides hands-on experiences on IT skills equipping the students to use latest technology like power points and internet mediated instructional designs.

**Science Resource Centre:** Teacher trainees at IER are made acquainted with conduction of practical in laboratories. For this the Institute shares resources viz. Chemistry Lab, Physics Lab and Biology Lab with IET and IBMER.

## **(b) Department of Visual And Performing Arts (DVPA)**

Department of Visual & Performing arts was first established as Institute of Visual & Performing Arts in 2007. After two years, this institute had been renamed as Institute of Visual Performing Arts & Research in 2009. Due to operational changes and reorganization of institute structure, IVPAR was converted as Department of Visual & Performing Arts (DVPA) in 2015. At present, this department comes under the Faculty of Humanities. The department is working as a liaison between the academic excellence and flourishing inner talents of the students.

We do feel that qualified, dedicated and renowned faculty, vibrant holistic suitable campus environment for Fine Art, modern art gallery for displaying art objects; time-to-time implementation of collaborative projects with prime organizations such as U.P. Lalit Kala Academy, Sangeet Natak Academy, ICCR and ICHR etc.; recognition and award from national and international bodies for student performances are our inner strength.

DVPA is creating enough opportunities through enhancing knowledge regarding various art forms; participation in National & International Events; creating new job opportunities and helping society and its people for developing soft skills.

DVPA is fully prepared to take up the present day challenges of Fine art education through creating awareness among students and pertaining training of modern technology in the field of Fine Art; Developing new curriculum according to the current need; and creating more job opportunities among students.

### **Vision**

To create an environment where artists from visual and performing arts work together to produce and explore quality in fine arts, music, and dance.

### **Mission**

- Teach the imaginative, critical, aesthetic, and technical skills and professional engagement in the continually evolving fields of the visual and performing arts.
- Promote discovery and foster inclusive learning that enriches the understanding of human diversity and global issues.
- Equip our graduate students to become specialists and leaders in their fields through training.
- Enriches student learning level through public performances, shows, events, and provide artistic resources, education and outreach to the local, regional, national and international communities.

### **Laboratories**

The following laboratories are functional in DVPA for accomplishment of the academic assignments and research work of the department.

1. Painting Studio
2. Graphic and Advertising Design Studio
3. Vocal Music Practicing room

4. Practical performance Room for Vocal and Instrumental student
5. Art Gallery (Gomti Kala- Kunj) for Painting & Sculpture exhibition
6. Practical Room
7. Instrumental Music Practical
8. Advertising
9. Design Studio

## Programs Offered

- Bachelor of Fine Art  
**Eligibility:** 45% Marks in 10+2  
**Selection criteria:** Merit based on marks in qualifying exam
- Master of Fine Art  
**Eligibility:** 50% Marks in BFA / BVA / Bridge Course or Equivalent  
**Selection criteria:** Merit based on marks in qualifying exam
- Doctor of Philosophy  
**Eligibility:** 55% Marks in MFA/ MA in the relevant specialization  
**Selection criteria:** Mangalayatan University Entrance Test/ UGC-NET/ GATE and Personal Interview
- M. Phil.  
**Eligibility:** 55% Marks in MFA/ MA in the relevant specialization  
**Selection criteria:** Mangalayatan University Entrance Test/ UGC-NET and Personal Interview
- Bridge Course In Fine Arts  
**Eligibility:** 50% Marks in Graduation  
**Selection criteria:** Merit based on marks in qualifying exam

## (C) Department of Journalism And Mass Communication (DJMC)

The Department of Journalism and Mass Communication at Mangalayatan University offers ample of opportunities to students to gain practical work experience through industry oriented curriculum, internships, Industrial visits, and placements in a prominent media organizations and also interaction with leading professionals. We provide propitious environment to the students to produce high-quality project works to match professional standards and goals. We provide students the practical exposure right from the beginning so that the students can build confidence enhance their personality and make a journalistic approach towards their career

Media sector especially television and web media in India and worldwide has grown several folds in the last two decades and is projected to continue growing in the coming decades. The virtual explosion in the process of creation and consumption of information and communication demands intellectual and professional skills to face the challenges and avail the opportunities brought about by the transformative force of India's communication revolution. The department offers the flexible academic program to study

emerging disciplines in the field of Journalism and mass communication and trains students for several exciting career options emerging from the convergence of technologies and communication processes.

Currently, the department offers UG, PG and Ph.D. Programs.

## **Vision**

To create a full-blown the Department of Journalism and Mass Communication that would to set global standards for media education, research and training.

## **Mission**

- To excel in educating communication students in a multicultural environment to be critical thinkers, innovative professionals and writers, and leaders in their fields.
- To internationally recognized scholars and professionals who create new knowledge that contributes to understand and solve community and global issues.

## **Programs Offered**

- **Bachelor of Arts (Mass Communication)**  
**Eligibility:** 45% Marks in 10+2  
**Selection criteria:** Mangalayatan University Entrance Test / Any National/State Entrance Test & Personal Interview
- **Master of Arts (Mass Communication)**  
**Eligibility:** 45% marks in Graduation in any Stream  
**Selection criteria:** Mangalayatan University Entrance Test / Any National/State Entrance Examination / Merit based on Marks in Qualifying Exam & Personal Interview
- **Ph.D.**  
**Eligibility:** 55 % Marks in Masters(Journalism and Mass Communication)  
**Selection criteria:** Mangalayatan University Entrance Test/ /UGC-NET and Personal Interview

## **Laboratories**

### **Editing Lab**

The PCR cum Editing Lab is the extension of the TV Studio. It is well connected with the studio. It also

has a modern edit suite for Non Linear Editing on Apple's FCP. The Apple's Final Cut Pro is the latest editing machine used in the media industry for editing of television programs and films. It's a platform for the media students to learn the basics of a Film Making Process, Video Camera Handling and Operation, Video Editing, Television Program and News Production, Anchoring, and Studio Management.

### **The Print Media Lab**

The media Lab of the Institute has around twenty five desktop computers fully loaded with essential and required computer software's used in the media industry such as the Photoshop, Corel DRAW, Quark Express, After Effects, Adobe Premiere Pro, Sound Pro, etc. Besides all this the lab is well connected with internet facility through wireless connections. Here the students learn the basics of Designing, Page Making, Photo Journalism, Copy Editing, Web Designing, Logo & Ad Designing etc.

### **Audio Visual Classroom**

The AV classroom provides the facility of community watching in the Department and a concept of Saturday Cinema was introduced in the deptt in 2009, where the students get an opportunity to watch an award winning film from the parallel and the mainstream cinema every weekend. Here they learn to appreciate a film and observe the film as a critic. They are also asked to review the film after the screening as part of the program. It is organized on every Saturday during the activity classes.

### **The TV Studio**

The modern Television Studio at DJMC has a distinct identity and is one of its kinds in the region. It has two different sets for shooting various types of television shows. One of the set being specially designed for chroma shoots is facilitated with proper Studio Lights and the other is created for a One to One Interview based show. It is acoustically treated and fully sound proof.

### **Community Radio Station-Radio Naarad-90.4**

The Department is home to the state-of-the-art Radio Studio which is essentially a community Radio setup. The Radio Channel- 'Radio Naarad' -90.4 is in process of developing programs for broadcast and is starting transmitting radio programs as an independent media unit of the organization. This in turn provides a facility for the media students to work in the radio environment. Besides this the radio station also helps in community development. This is the prime attraction and the USP of the department as the students are getting the opportunity to learn the role of a Radio Jockey, a Radio Program Producer and Music Arranger.

### **(d) Department of Arts**

The Department of Arts was established with a long-sought vision of the university's leaders and thinkers to provide cutting-edge education from introductory to advanced, in the field of Humanities. It started with a mission to enable its students to hone the skills required to fight the challenges of the society. Humanities at MU is a liberal, safe and an inclusive space which identifies and nurtures the young leaders of this country giving them ample of opportunities to dream and discover. Department of Arts at MU is a rich amalgamation of traditional and unconventional which scores a distinctness and creditability.

Since its establishment, the Department of Arts has been fostering critical thinking and motivating students to edify their disposition. In pursuit of providing academic and scholastic ambience, the Department has

always motivated seminars, debates, group discussions, writings and research gathered in from the margins and has sheltered voices responding to the literary canons of the empire. Its academic achievement lies in nurturing the creativity and scholarly abilities of its students and preparing them to study overseas and find new and fruitful prospects.

The department has catered to the need of providing a better academic environment to students belonging to different walks of life, regions, nationalities and communities. The department has a pan-university presence for its faculty members teaching Communicative English to not less than thousand students, ranging from Humanities and Commerce, Bio Science to Engineering.

The carefully structured syllabi of different courses running by the department focus not only on the development of communication skills of students but also include papers incorporating themes and topics ranging from Literatures, to Interdisciplinary studies, which also spreads over the idea of turning theory into practice. Its faculty members have made notable contributions in the field of translation studies by guiding and contributing UGC research projects. Committed to the pursuit of excellence in higher education, the department offers degrees at Bachelor, Masters and Ph. D levels in English Literature, Political Science, History, Sociology, and Economics.

## **Vision**

The vision of The Department of Arts is to promote excellence in teaching and research by nurturing a culture of practical skills based learning & grooming students to be morally and socially responsible professionals who will be sensitive to the larger societal goodness.

## **Mission**

The department has different creative and innovative teaching methodology with a missionary opinion to make our future learners to fulfill industry and academia. Few glimpses of department's missions are:

- To provide intensive mentoring to our students both in and beyond the classroom in a wide variety of forums.
- To arrange lectures, film screenings, symposia, conferences, and colloquia on interdisciplinary themes.
- To promote study of humankind and its manifestation.
- To organize Debates, group discussion, workshops, seminars and conferences.
- To promote learning and employability skills among students.
- To help students succeed in their academic and professional lives.
- To encourage research and promote knowledge creation.

## **Programs Offered**

- **UG: B.A. (With Hons.) (English/History/Economics/Political Science/Sociology)**  
**Eligibility:** 45% Marks in 10+2 or equivalent  
**Selection criteria:** Merit based on marks in qualifying exam

- **PG: M.A. (English/History/Economics/Political Science/Sociology)**  
**Eligibility:** 45% Marks in Graduation  
**Selection criteria:** Merit based on marks in qualifying exam
- **Ph. D**  
**Eligibility:** 55% Marks at Master's level  
**Selection criteria:** Mangalayatan University Entrance Test/ UGC-NET and Personal Interview

### **(e) Department of Library and Information Science**

The Department of Library and Information Science offers Bachelor's, Master's and Ph.D. Programs. The ever-changing technology has a direct bearing on library practices and on LIS education. The course aims at providing trained manpower to manage different types of libraries and information centers which, over a period of time have undergone changes in terms of needs, functions, types, tools, techniques and range of services offered. The Department endeavors to meet new standards of success in library management based on the increasing quest of knowledge and excellence with a pragmatic mindset.

#### **Vision**

The Library and Information Science Department endeavours to be recognized globally for outstanding education and research leading to well qualified Librarians, Teachers and other Library Staff, who are innovative, entrepreneurial and successful in advanced fields of Library and Information Science to cater the ever changing in Public Libraries, Academics Libraries and other Libraries demands and social needs.

#### **Mission**

- To provide students an understanding of the basic principles and fundamental laws of Library and Information Science and to enable them to understand and appreciate the functions and purpose of the libraries and information centers.
- To professionally train the students in diverse area of librarianship
- To educate the students in the philosophy of librarianship, basic principles, fundamental laws, professional ethics and management of library and information centers.
- To enable the students to understand and appreciate the functions and purposes of library and information centers in the changing social cultural, technological and economic environment.
- To provide students the knowledge of Information Technology (IT) and its application in library and information activities.
- To train the students in the advanced skills of information knowledge, gathering, processing, organization and retrieval.
- To train the students in information knowledge analysis, repackaging and marketing.
- To provide the students thorough understanding of IT applications in information environment including networks and communication systems.
- To train the students in the analysis, planning and management of the systems of library and information centers.

- To provide an understanding of research methods and activities of research organizations.

## **Programmes Offered**

- **Bachelor of Library and Information Science (B.L.I.Sc.)**  
**Duration:** 1 Year  
**Eligibility:** 50% marks in Graduation  
**Selection criteria:** Mangalayatan University Entrance Test/Merit Based on Marks in Qualifying Exam.
- **Master of Library and Information Science (M.L.I.Sc.)**  
**Duration:** 1 Year  
**Eligibility:** 50% marks in B.L.I.Sc  
**Selection criteria:** Mangalayatan University Entrance Test/Merit Based on Marks in Qualifying Exam.
- **Ph.D.**  
**Duration:** 3 years Minimum  
**Eligibility:** 55% marks in M.L.I.Sc  
**Selection criteria:** Mangalayatan University Entrance Test and Personal Interview.

## **(f) Center of Philosophical Sciences**

The pursuit of excellence in professional education without adequate emphasis on moral and ethical education can lead to loss of human values in all walks of life. There is a need to bring a balance between professional and ethical education so that students coming out of educational system become responsible citizens of the world. Keeping this objective in mind, the Center of Philosophical Sciences has been established for imparting ethical education and under taking research. The Center is now focusing on Jain Philosophy. The University has signed the Memorandum of Understanding with Pandit Todermal Smark Trust, Jaipur and Teerth dham Mangalayatan, Aligarh. International School for Jain Studies, New Delhi is associated with program.

The Center offers Certificate Course, Diploma Course, Bachelor of Arts, Master of Arts and Ph.D.in Jain Philosophy.

A workshop on Science, Management and Jain Philosophy was organized by the Center during March, 2017 which highlighted various aspects of Jain Philosophy which have rich contents of science and management as being taught today.

Two separate groups of international students from USA, UK and other countries participated in lectures and visited the University under Teachers Ready for Peace program and ISSJS-2017 of International Summer School for Jain Studies, New Delhi in June and July 2017.

## **C. Institute Of Biomedical Education & Research**

### **Institute of Biomedical Education & Research**

Institute of Biomedical Education & Research was established in 2007, comprises Biotechnology and Pharmacy department. As Biotechnology field itself has a specialised science stream that leans heavily

towards biology and a technology stream. The Biotechnology department offers B.Sc. Biotechnology, M.Sc. & Ph.D. Programs in Biotechnology. The department has state of the art laboratories and well Qualified and experienced faculty members from reputed National and International Institutes. The main focus of Biotechnology department is to provide excellent teaching, training and research facilities for students. The department is actively involved in organizing Conferences, Seminars, Workshops Trainings and awareness campaign regularly. Students, Research Scholars & faculty members have received several awards and recognitions in number of activities and are life members of many reputed National and International Scientific and Medical bodies Like ICMR, WHO, American society of Microbiology, Indian society of public health & hygiene and Indian Science Congress.

### **(a) Department of Pharmacy**

Department of pharmacy is committed to provide state of art facilities to the young pharmaceutical scientist and pharmacist to match the modern requirement of pharmacy industry. Course curriculum and pedagogy contain learning of latest tools & techniques so that the student can conquer a perfect niche in the scientific world. The department not only teaches the student but also grooms their personality by soft skill classes and group discussions etc. The strength of the department lease with the well experienced and highly qualified, dedicated, research oriented faculty members. The department encourages the students for attending national and international conferences to match with the recent advances in pharmacy.

The Institute also focuses on creating strong research facilities for its students and to impart knowledge and excellence among the students to become expert contributors in pharmaceutical Sciences industries or academics.

### **Vision**

To Produce the Knowledgeable, Pharmacist, Scientist, Entrepreneur and Educationist who are good citizen of country.

### **Mission**

- To be the enablers of a confluence of academic rigor and professional practicality.
- To bring global best practices to our students through widespread use of technology.
- To empower our faculty to constantly develop new skills and excel professionally.
- To provide the best campus environment to students and faculty with all facilities to nurture their interest.

### **Programs Offered**

- **D.Pharm**  
**Eligibility:** 50 % Marks in 10 + 2 with PCM/PCM  
**Selection criteria:** Merit based on marks in Qualifying Exam
- **B.Pharm**  
**Eligibility:** 50 % Marks in 10 + 2 with PCM/PCM  
**Selection criteria:** SEE-UPTU/MUEE/Any state Entrance Examination + (10+2) Marks

- **B.Pharm Lateral Entry**  
**Eligibility:** 50 % Marks in D.Pharm  
**Selection criteria:** Merit based on marks in Qualifying Exam
- **M.Pharm (Pharmaceutical Chemistry/Pharmaceutics)**  
**Eligibility:** 50 % Marks in B.Pharm  
**Selection criteria:** Merit based on marks in Qualifying Exam
- **Ph.D.**  
**Eligibility:** Minimum 55% Marks at Master's Level  
**Selection criteria:** MUEE + Interview

## **(b) Department of Biotechnology & Life Science**

The Department of Biotechnology & Life Sciences came into existence in June 2007; first batch graduated in 2011. ## 19. Non Academic Units of Mangalayatan

### A. The Central Library

The Library occupies a place of pride in Mangalayatan University and is an essential component of the Institute's outstanding research and education mission. It serves as a creative and innovative partner in supporting teaching, learning and research activities of the Institute. It is the liveliest place on the campus providing a conducive environment that enables learning and advancement of knowledge and promotes

discovery and scholarship. The pleasant ambience and the well-furnished library with spacious reading rooms create an atmosphere of serenity and thereby inspire intellectual stimulation and research. The Library stacks over 53800 books. With the fast growing collection, both in digital and print form using the state-of-the-art facilities, the Library is contributing to the University's mission of becoming a world class Institute. The collection of the Library is rich and diverse, especially in terms of the breadth and depth of coverage. Collection encompasses subjects in Engineering & Technology, Management, Commerce, Bio Medical Education & Research, Applied Sciences, Pharmacy, Law, Journalism and Mass Communication, Humanities and related areas. This collection includes Books, Research Journals, Project Reports/ Dissertations, CDs, annual reports, newspapers, articles and case studies, etc. Library provides the access to various electronic resources to the bonafide members in various disciplines. The library resources are constantly reviewed and updated according to the growing needs of the MU community. The Library is an institutional member of Developing Library Network (DELNET), National Digital Library of India, E-ShodhSindhu and Shodhganga.

The Library is automated with integrated KOHA Library Management Software and has utilized Information Technology extensively to ensure that resources are accessible at any time. The Digital Library provides a conducive environment for intellectual inquiry by providing user-focused services to obtain and evaluate scholarly information and knowledge. It is connected to high speed internet and intranet of network. All activities of Library are computerized, including smart ID cards and On-line Public Access Catalogue (OPAC) to know the status of books at any time. The Library provides various specialized services to the users, i.e., CAS, SDI, News Alert, Reference, Digital Archiving and WEB OPAC.

Orientation programmes to use of digital information resources are periodically conducted. The Prof. J. L. Jain (FH) is the chairman of Library Advisory Committee.

## **Vision, Mission & Objectives**

### **Vision**

The library is the intellectual heart of Mangalayatan University. It aspires for excellence in support for the learning, teaching and research mission of the university with an aim:

## B. Computer System Department (CSD)

Established in 2008 as Information Services Department to look after the Computers and the Peripherals in the University, the name was changed to Communication Services as the scope of the functions were expanded to include Intra-Network and Internet, Mobile, eMail and EPABX services. The University has 1Gbps shared internet connection on fibre from BSNL under the MHRD National Knowledge Network scheme. We also have a 30Mbps leased fibre connection from Reliance Telecom through M/s U.P. Infomax Ltd for standby operation.

### Functionalities

- a. Maintenance / repair of Computer systems and peripherals.
- b. Installation & Maintenance of the Intranet.
- c. Management of Internet & access control.
- d. Planning & purchase of Servers, Laptops, Printers, Spares and other accessories.
- e. Manage EPABX services.
- f. CCTV

## C. Enterprise Resource Planning (ERP)

In academics, University automated the Time Table of all Institutes across the University, Students portal has been automated in which all the information/reports of Time Table, Attendance, Marks etc. are available to the students. University automated the admission process which helps in keeping track of admissions and reports related to them.

**Examinations:** Implemented Grading system for marks in Examination as per the requirements of Examination Cell. Marks and Results process have been automated. Apart from this Seating Arrangement for various exams have also been automated which have reduced manual work to a greater extent.

**Official:** Automated the process of HR and are currently working to automate the process of Student's Finance.

**Activities:** Initiated "Programmers Club" an initiative to enhance the Programming capabilities of students and to give exposure to the practical aspects of the Projects. In this we have recognized some students and guiding them for Live Projects which will be useful for University as well. Some of the Projects on which students are currently working are : Alumni Association, Android App for University.

**Projects:** Undertaken a Project from Sikkim Government to automate Welfare Schemes implemented by State Government and also included students of Final year as it will help them in learning and acquiring things form experience of working on a live project.

## D. Hostel

The beautifully constructed students hostel, Sumangalam Hostel, at MU houses more than 600 students. It offers single, double and triple sharing rooms at varying rates, as per choice and availability. Located right next to the university sports facilities, the hostel is a picture of action and festivity on most days. There are

fully sequestered, secluded residential areas for boys and girls. The hostel has its own housekeeping staff, with an uninterrupted supply of regular water and purified drinking water. It has round-the-clock security, with a team of wardens (both male and female) and the proctor staying within the hostel premises. The hostel has separate gym facilities for girls and boys, as well as a common set of TT tables for recreation purposes. It is equipped with a dedicated Television Room and lounge. It is also fully Wi-Fi- enabled. One floor of the hostel consists exclusively of amenities, including a basic grocery shop, a saloon and laundry facilities. One of the most remarkable features of the hostel is its Open- Air Theatre. It is the venue for several formal and informal hostel functions, a key to keeping campus life brimming with energy. The first year boys' hostel came into existence in 2013, with a capacity of nearly 400, with its own warden and security team. Apart from sharing the residential load, this hostel was established with the acclimatization and security of new students in mind. The hostel has all the requisite facilities, apart from the centralized facilities at Sumangalam that are accessible to first year students.

## **E. Transport Facilities**

### **Objective**

- To provide transportation facility to MU students and staff through a fleet of Buses and Cars
- Transport service to design for catering the demand of the students within very nominal fee

### **Facilities**
