

मंगलायतन विश्वविद्यालय में चित्रकला प्रदर्शनी का आयोजन

अलीगढ़, 02 अगस्त। कभी-कभार जो बातें हम मुख से नहीं बोल पाते वह चित्र आसानी से बयां कर देते हैं। यह बातें मंगलायतन विश्वविद्यालय के कुलपति प्रो. केवीएसएम कृष्णा ने मंवि वि के दृश्य एवं कला विभाग द्वारा आयोजित चित्रकला प्रदर्शनी में कहीं। जिसका विषय "सृष्टि आनंद" था।

मंगलायतन विवि के दृश्य एवं कला विभाग के गोमती कला कुंज में मेवाड़ विवि की एमएफए की छात्रा मधुमिता घोष द्वारा लोक कला की एक शैली वर्ली कला (महाराष्ट्र में इसे वर्ली कला के नाम से जाना जाता है) पर बनाई गई चित्रों की प्रदर्शनी लगाई गई। जिसमें श्री राम के वनवास से लेकर लंका विजय तक की पौराणिक कथा को चित्रों के माध्यम से दर्शाया गया। इसके साथ ही लैंडस्केप कम्पोजीशन पेंटिंग की प्रदर्शनी भी लगाई गई। मधुमिता ने बताया कि 17 वीं सदी में इस कला को वर्ली कला के नाम से जाना जाता था। यह कला हमारी संस्कृति और कलाओं को प्रदर्शित करती है। भारत में महिलाएं त्योहारों पर इस कला का ही प्रदर्शन करती हैं। पौराणिक कहानियों को प्रदर्शित करने की शैली ही वर्ली कला कहलाती है।

प्रदर्शनी का उद्घाटन कुलपति प्रो. केवीएसएम कृष्णा ने फीता काटकर किया। परीक्षा नियंत्रक डॉ. दिनेश शर्मा ने कहा कि प्रत्येक मनुष्य के जीवन में चित्रों और रंगों का विशेष महत्व होता है। दृश्य एवं कला विभाग की विभागाध्यक्ष डॉ. पूनम रानी ने कहा कि गोमती कला कुंज आर्ट गैलरी में लगातार इस प्रकार का आयोजन किया जाता है। चित्रकारी को बढ़ावा देने के लिए यह एक अच्छा स्थान है। यहां बाहरी कलाकार भी चित्रों की प्रदर्शनी लगाते हैं।

A script writing workshop organised

On 16 April 2021, a workshop on "How to write a script for electronic media" was organized by the Department of Journalism and Mass Communication. Department chairperson Manisha Upadhaya said in the workshop that if you are fond of writing and your thinking is far-reaching, then script writing can be made a career. She said that viewers are looking for a good story. But this is possible only when we work on that story from its foundation and understand its aspects closely. She said that language should reflect mentality, personality and seriousness. Workshop Chaired by Prof. Shivaji Sarkar, Dean of Journalism and Mass Communication Department. Dr. Shagufta Parvin, Mayank Jain, Niyati Sharma, Vikas Verma etc. were present during the workshop.

Post-Truth World and Media was organized by the DJMC

On 22 June 2021, a seminar on "Post-Truth World and Media" was organized by the Department of Journalism and Mass Communication. Post-truth has become one of the defining terms of our times. It is an era where extravagantly untruthful assertions are put on the public domain and constant negation of fact-finding and research dominate the public discourse. Post-truth is a murky concept but it cannot be taken as a simple lie or deception. The lie is the rejection of a specific fact but post-truth seeks to delegitimize the very nature of truth. The leaders believe that reality is whatever they say. Their right to determine the reality is vehemently supported by the media. It has the potential to shake the foundation of our social fabric as the distinction between facts and opinion gets blurred the status is allowed to construct the truth. Now the ever-eroding trust in media and misinformation on social media plays a pivotal role in crisis communication. The raging pandemic has made media, especially social media, the lifeline for thousands of isolated people to access everything including food through social networking sites. It is time for pause and introspection and one must discuss the role of media in strengthening the disdain for truth and not seeking freedom from state-and corporate-sponsored truth.
